

# Land of Hope and Glory

## Week 1

### English

Biography - Monet - Picture This!

### Maths

Complete a simple symmetric figure with respect to a specific line of symmetry.

### Science

Recognise that living things can be grouped in a variety of ways.

### Geography

Name and locate counties and cities of the United Kingdom, geographical regions and key topographical features (including hills, mountains, coasts and rivers (Ben Nevis, Scafell Pike and Snowdon)). Study the journey of a river from source to mouth.

## Week 4

### English

Explanation - The Water Cycle

### Maths

Count up and down in hundredths; recognise that hundredths arise from dividing an object into 100 equal parts and in dividing numbers or quantities by 100.

### Geography

Learn about some of the UK's ancient castles and monasteries, exploring the geographical reasons why they were located as they are.

### Art

Draw or paint images of natural beauty spots across the UK e.g. Giant's Causeway, The Needles.

## Week 6

### English

Postcard to Father (The Railway Children)

### Maths

Describe movements between positions as translations of a given unit to the left/right and up/down.

### Science

Describe the simple functions of the basic parts of the digestive system in humans.

### Geography

Discuss differences between town and country - urban and rural, including land use and economic activity.

## Week 8

### English

Newspaper Report based on event in The Railway Children

### Maths

Solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs.

### Science

Construct and interpret a variety of food chains, identifying producers, predators and prey.

### Geography

Discover how the influence of the UK in the world over time led Edward Elgar to write a song called Land of Hope and Glory.

## Week 2

### English

Biography - Monet - Picture This!

### Maths

Starter - Compare and order numbers beyond 1000  
Main - Find the effect of multiplying a number with up to 2 decimal places by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths.

### Science

Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment.

### Geography

Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night).

## Week 5

### English

Postcard to Father (The Railway Children)

### Maths

Starter - Solve problems involving converting from hours to minutes; minutes to seconds; years to months; weeks to days.

Main - Convert between different units of measure (e.g. km to m; hr to min).

### Geography

Name some of the most recognisable buildings in the UK, new and old.

## Week 7

### English

Newspaper Report based on event in The Railway Children

### Maths

Starter - Compare numbers with the same number of decimal places up to two decimal places.

Main - Round any number to the nearest 10, 100 or 1000

Round decimals with one decimal place to the nearest whole number.

### Science

Identify the different types of teeth in humans and their simple functions.

### Geography

Discover some of the UK's rugged and beautiful coastlines and find out how some of these features are formed.

## Week 9

### English

Newspaper Report based on event in The Railway Children

### Maths

Identify acute and obtuse angles and compare and order angles up to two right angles by size.

### Geography

Explore the network of 53 independent countries called the Commonwealth and compare aspects of physical and human features.

## Week 3

### English

Explanation - The Water Cycle

### Maths

Find the effect of dividing a 1-digit or 2-digit number by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths.

### Science

Recognise that environments can change and that this can sometimes pose dangers to living things.

### Geography

Identify the major transport links between cities and the main ports and airports that link the UK to other countries.

Express

St George's Day Celebration
